At Wivenhoe Gardens, you'll find a range of beautifully designed homes, with interiors full of light and space. Each home boasts stylish fittings and quality specifications, all crafted with a focus on sustainability. The elegant exteriors are thoughtfully enhanced with nature-friendly features, offering a seamless blend of aesthetic appeal and environmental consciousness.

Detailing open-plan, flexible living spaces, these homes are designed to effortlessly adapt to your evolving needs.

# Enjoy the best of all worlds

Wivenhoe Gardens is a collection of 2 bedroom bungalows, 2, 3 & 4 bedroom houses and a 2 bedroom coach house located in Wivenhoe, a riverside town nestled on the edge of historic Colchester, in the heart of Essex.

With a population of fewer than 8,000 people, close-knit Wivenhoe feels more like a village than a town. Of course, if you want the vibrancy of somewhere larger, Colchester is less than a 15 minute drive away.

# Country and coast await

Wivenhoe Gardens is a desirable location, ensuring that both countryside and coast are always within easy reach. With rolling fields stretching as far as the eye can see, you'll have endless opportunities for scenic country walks around the development.

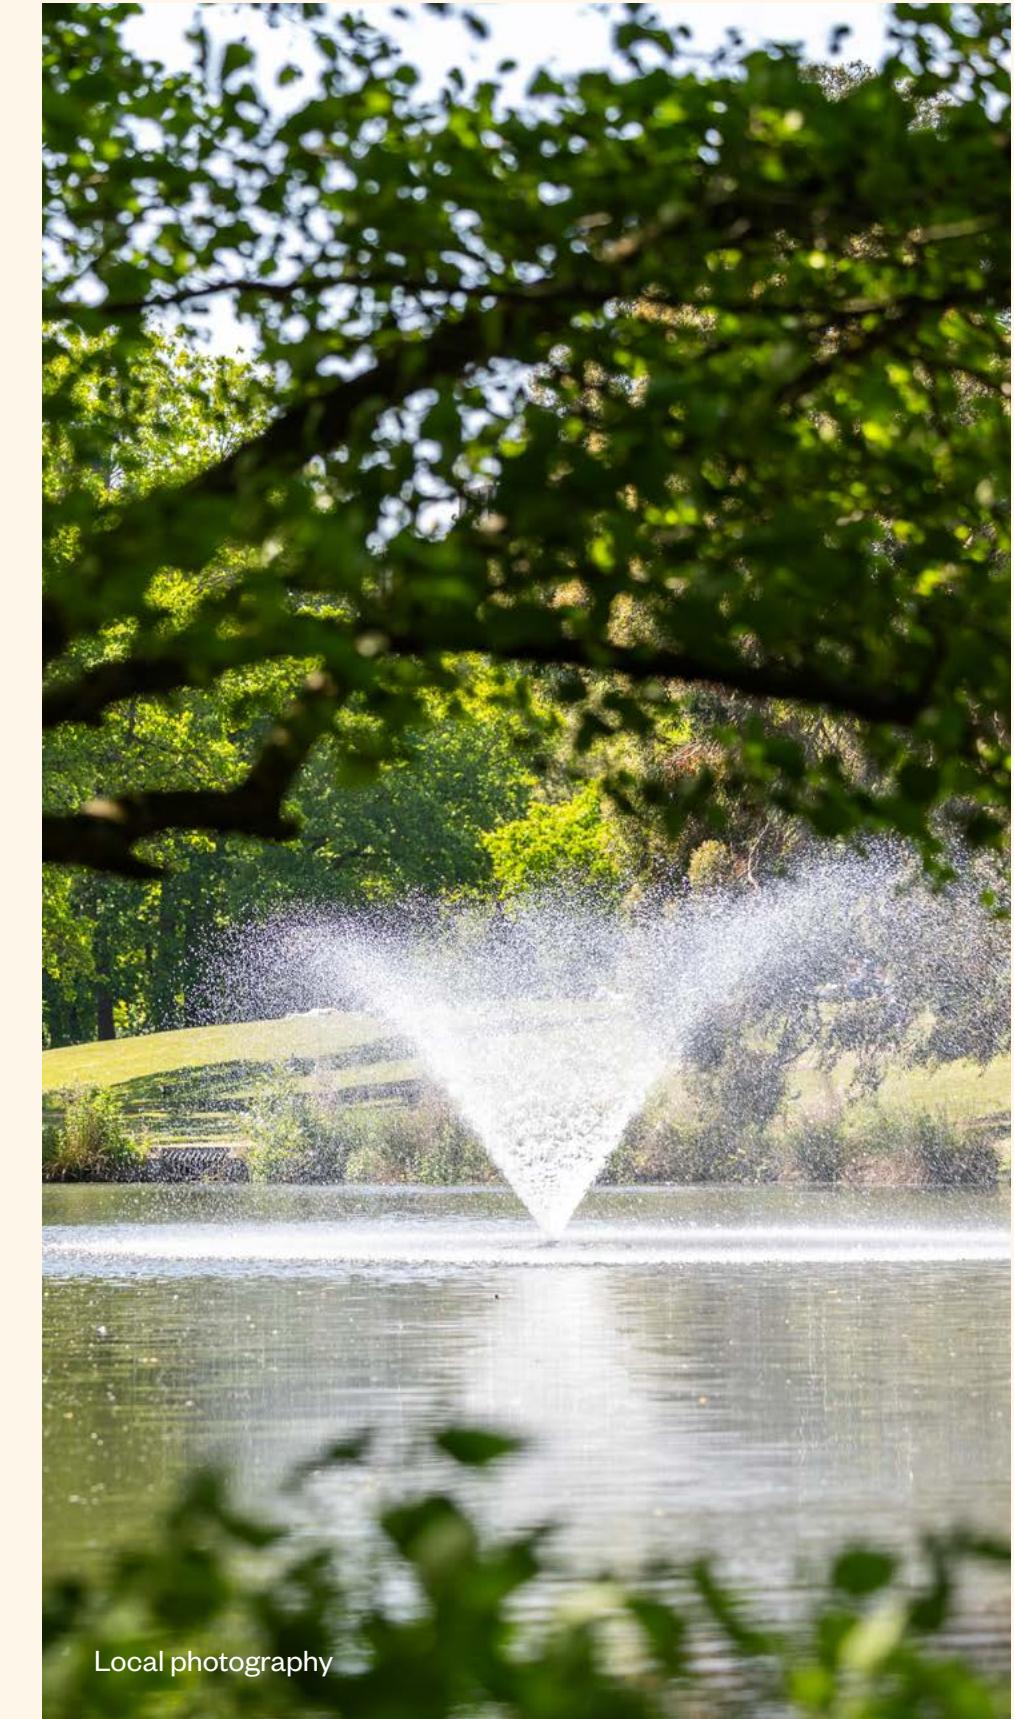

Craving the refreshing sea breeze? The beautiful beaches of Brightlingsea, Walton-on-the-Naze and Frinton-on-Sea are less than a 30-minute drive away.

# Have everything on your doorstep

You'll find there's plenty on offer in Wivenhoe. With its convenience stores, post office and characterful pubs, you will quickly feel at home. Alternatively, if you want to experience more, you can easily reach Colchester's diverse shopping scene and nightlife.

Want a little tranquillity? Venture into the open countryside for walks or even picnics. There's also the gentle River Colne nearby if you want to enjoy a riverside stroll.

When it comes to getting around, you have seamless transport links close by. The A12 and A120 are within easy reach for Colchester, Witham and Braintree, while train journeys to London are simple thanks to direct services from Wivenhoe station to London Liverpool Street in just over an hour.

# Enjoy Essex at your leisure

From the flowing waters of the River Colne to the wildlife of Wivenhoe Woods, you'll have the wonders of nature at your fingertips.

And that's before you've considered the many picturesque open green spaces which can be found further afield in this beautiful county.

# Top of the class for education

You'll be in just the right place for schools catering for youngsters of all ages. Broomgrove Infant School is a well-regarded local school for children aged 4-7. Located under a mile from home, it offers a nurturing start to education and feeds directly into Broomgrove Junior School (ages 7-11), supporting a smooth transition through the early years. Also nearby is Millfields Primary School, a popular choice for families, providing education for children aged 4-11 within easy walking distance.

For older students, University of Essex, Colchester Academy, Market Field School and The Thomas Lord Audley School are all based within five miles of the development.

And when the weather just isn't playing ball, indoor trampolining centre Airhop Colchester is the perfect place for little ones to burn off some energy.

# What our customers say

**“** Our new Larfield home is everything we could ever dream of. It provides the space and layout our previous property lacked. Plus, Great Bentley really has the best of both worlds. There's a lovely village atmosphere, but also fantastic transport links and amenities. It felt right from the very first visit.

Our experience with the Cala team has been equally as good. Jaye and Heather from sales were on hand to support us every step

of the way, and Cala's recommended mortgage experts and solicitors made the entire buying process even smoother.

On top of that, the aftercare has been brilliant. Every little thing has been sorted quickly and without fuss. Cala really are in a different league compared to other developers. **”**

# Sustainability the Cala way

Cala has a rich heritage originally dating back to 1875. We started building homes in the 1970s and, for over 50 years, have been creating high quality, sustainable new homes and communities. However it is not just what we do, but the way we do it that matters to Cala.

Thinking sustainably is at the heart of everything we do; from identifying the right sites, through creating a safe, healthy and fulfilling working environment, to taking a sensitive approach to development and delivering communities that meet local requirements.

As part of our sustainability journey we are aiming to reduce our paper usage by 90%

across the company, including the customer journey, which is why we are aiming for online only brochures at our developments.
