Material Options

BRISTOL

Bristol is the perfect choice for an easy-to-maintain upholstery with beautiful looks. The fabric features a tactile plain weave that creates a subtle texture and timeless expression.

LEEDS

The Leeds fabric is your choice for a contemporary design. Its timeless look and high quality ensure that your furniture will be a fashionable fit, no matter what changes to your future interior may bring.

NANI

The Nani fabric has a very nice fine structure and veining, making it perfect for a timeless modern style. It has the high performance of a synthetic fibre.

TERMS & CONDITIONS

PACKAGE SPECIFICATIONS

1. Items shown in Packages Collection are for display purposes and are not to scale. Please refer to product specification pages for sizes of each item.
2. Individual package contents are as specified in the corresponding package schedule.
3. All items available at time of print, in the unlikely event that changes are made to the current collection, the client will have up to the value of the current item to spend on an alternative product. This is only applicable if the item becomes unavailable to order from BoConcept and does not permit the client to swap all products out.
4. All accessories are limited edition, if at time of order these are unavailable, similar items will be chosen as a replacement.
5. Product specifications are as stated and cannot be altered for different finishes, unless specified in package customisation options.
6. All items are non-refundable.
7. Items cannot be exchanged for any other items.
8. Lead times for items vary, once order has been received by BoConcept, we will be in touch to discuss delivery dates.
9. Installation and wall mounting fees are included in package cost.
10. All furniture comes with 5-year guarantee from BoConcept.
